

DCR partnership w Waltham Land Trust

Cooperative trail stewardship since 2011

The same location—volunteer labor transforms corridor

Waltham

2011 compared to 2017

2017-2020 Time Line

- 2017 Mayor requests/receives CPA funds for design
- Pare Corp: design, public engagement, bidding documents
 - Border to border surveyed
 - Phase 1 is 3 miles of inner segment, leaving a gap in connections with Belmont and Weston; those segments planned for later phases
- public engagement@25% design, feedback
- Con Commission order of conditions in Sept
- Traffic Commission approval of crossings
- Recent walk identifying historic elements

Next Steps

- Pare is finalizing the bid documentation for the split packages (demolition & construction)
- Demolition phase to be advertised shortly
- Construction planned for 2019
